

**SÖDERTÖRNS HÖGSKOLA | STOCKHOLM**

## **SEMINAR**

### **Africa: Challenges and Opportunities'**

**Wednesday 11th May 2016**

**11:00-12:30, 13:30-15:00 MA 624**

**Södertörn University, Flemingsberg Campus**

The Africa Conference is co-organized by AI-TV Network and the School of Natural Sciences, Technology and Environmental Studies, Södertörn University. The Conference brings together researchers, Diplomatic Heads of Mission, Investors, interest groups and students of Södertörn University. The Seminar will give a general picture on Africa; by different Heads of Mission; an interactive panel discussion for questions and answers; and concluding remarks by key speakers focusing on perceived challenges the continent faces.
