

Special call for applications for fieldwork in physical geography (worldwide) or in anthropology or human geography in polar regions

Swedish Society Anthropology and Geography Special Andrée Fund Call

The Swedish Society for Anthropology and Geography (SSAG) hereby announces a special call for field work grants **funded by the Andrée fund (Andréefonden)**. The stipends are for field work in physical geography in general or field work in any of the SSAG disciplines (human geography, anthropology) that are carried out in arctic environments. The field work should take place in 2027. For this call, funds will be awarded to researchers holding a PhD degree affiliated to a Swedish university. The maximum contribution is 250000 SEK. Find all conditions on the application form.

The deadline for the application is the **November 10th, 2026**.

Please note that to apply for a stipend from this call, the applicant must be a member in good standing in the SSAG. In particular the membership fee has to be paid by the time of application.
